COUNTY PROCEDURE FOR PREPARATION AND TRANSMITTAL OF 1944 APPLICATIONS FOR
PAYMENT (Maine)

G E N E R A L

The following procedure supplementing NER-821 contains instructions for entries to be made by county offices, in the State of Maine in Sections III and IV of Form NER-820, Application for Payment. Entries shall be made from information shown on the 1944 Report of Performance (NER-815, Maine) and other county records.

SECTION I - ENTRIES TO BE MADE IN SECTION III - PRACTICES

Conservation practices to be entered in Section III are limited to practices numbered 1A, 1B, 3A, 3B, 4, 5, 6, 7, 8, and 9.

A. Column A - Number - Enter in numerical order in this column the number of each of the above conservation practices carried out on the farm and approved by the county committee.

B. Column B - Units - Enter in this column the number of units of each practice opposite the respective practice number entered in Column A. A unit of each practice is:

<u>Practice No.</u>	<u>Unit</u>	<u>Practice No.</u>	<u>Unit</u>	<u>Practice No.</u>	<u>Unit</u>
1A	Ton	4	100 linear ft.	8	1,000
1B	"	5	"		sq. ft.
3A	"	6	Acre	9	Acre
3B	"	7	"		

SECTION II - ENTRIES TO BE MADE IN SECTION IV - ALLOWANCES
AND CONSERVATION MATERIALS

A. The rates to be used in determining the value of the farm allowances and the value of conservation materials are as follows:

1. Aroostook County. \$9.00 per ton for lime expressed in terms of bagged standard ground limestone railroad siding delivery.

2. All other counties. \$9.00 per ton for lime expressed in terms of bagged standard ground limestone farmyard delivery.

3. \$1.25 per hundredweight for superphosphate expressed in terms of 19% or 20% superphosphate.

4. \$1.75 per hundredweight of ammonium nitrate.

B. Entries shall be made only in the spaces indicated below:

- G-3 If practice 1A or 1B has been carried out on the farm and entered in Section III, enter the number of tons of lime furnished to the farm as conservation materials expressed in terms of bagged standard ground limestone railroad siding delivery in Aroostook County.
- H-3 If Practice 1A or 1B has been entered in Section III, enter the lime allowance for the farm.
- J-3 Enter the value of the lime, superphosphate and ammonium nitrate allowances for the farm as finally determined by the county committee, computed at the rates indicated in A above. Do not include the increase in small payment.
- I-6 Enter the value of the conservation materials furnished computed at the rates indicated in A above. Do not include the value of materials furnished.
